

IMA CARE, Inc.
Comfort Home Health Care Services

Our Registered Nurses (RN) will work with you and your physician to develop your care plan; and follow through with the treatment and assessment

Our Physical Therapists (PT) will consult with your Physician to recommend care plan and follow through with therapeutic exercises to enhance your strength and mobility

Our Licensed Practical Nurses (LPNs), State Certified Nursing Assistants (CNAs) and Home Health Aides (HHAs) will provide basic care, assist you with personal care, hygiene and nutrition under the direction of an RN and/or your Physician

Our Occupational Therapists (OT) in conjunction with your Physician will help clients improve their reasoning abilities, basic motor function, and/or compensate for the loss of permanent functions

IMA CARE

Comfort Home HealthCare Services

Professional Services

At IMA CARE, we recognize each client as valuable and unique. We respect, maintain the dignity, confidentiality and appreciate those we have the honor to serve

IMA CARE, Inc. provides exceptional home care services for patients coping with an illness, recovering from a surgery, or simply trying to manage the aging process.

Our program is staffed by an experienced team of Registered Nurses and healthcare professionals.

Our goal is to help clients have independent, productive, and satisfying life in the comfort of their homes.
